

[Course Name]
Bow Valley College School of Creative Technologies
Learning Contract
Student Name: Epson Ronquillo
Instructor: Roger Kondrat

What are your current skills in this subject matter:

None. But I am dedicated to learn.

Set S.M.A.R.T. goals for yourself in this course:

Specific (Give a detailed description.)

Measurable (How will you know you've achieved it?)

Achievable (Is your objective reasonable?)

Results-oriented (Phrase with the end result in mind.)

Time-phased (Include a deadline.)

S – To learn and to code on my own. To be able to develop my own program.

M – by listening and learning a lot from my instructor. Dedication is also a plus.

A – Yes. Hard work..

R – at the end of the day I am confident to code and make my own programs.

T – at the end of the program.

What are some strategies you will use to be successful in these goals?

Hard work, study well, listen and participate with activities.

How much time do you feel is going to be required for your success in this course and with these goals (In-class and outside of class)?

Hopefully, at the end of the program. But the sooner the better.
